Subject: Certified Healthy Oklahoma County Sheet - Hughes County
Attachments: Hughes.xlsx

Greetings!

Please find attached the list of applicants and their award designations for Certified Healthy 2017 for your county. We will be sending these out by county, so if you serve multiple counties, please be patient, the other reports will be coming ☺. A "fill in the blank" press release to announce awardees for your county is being sent by the Office of Communications to the Regional Directors, so be on the lookout for that.

Please note that the "not certified" applicants are listed – so if you are using the press release – you will need to remove them first.

We will be creating the "grow to next level" reports again this year, but they won't be ready until Spring. Until then, if you have any questions please submit them through the following webform:
